

# Beqa Lagoon, Fiji

**March 25 - April 3, 2010**  
**\$2785 Diver/\$2580 Non-Diver**

## Lush, green, tropical, rich, untouched Fiji...Bula!!!

Join Splash Water Sports as we make a visit to Fiji. As your flight departs, you'll begin to feel the call of the islands. You'll leave your cares (and your shoes!) behind as you adjust to 'island time'.

**We'll be staying at the Beqa Lagoon Resort**, located on a small, secluded island...no large towns, just a few isolated villages scattered around the perimeter of the island. You can explore the turquoise waters inside the large barrier reef and stroll along the white sandy beaches when you aren't diving. But don't expect rustic huts along the shore...the private bures are large and luxurious and tucked in the trees just a few yards from the beach. Each is an air conditioned mini-suite with granite-lined bath, large bedroom, sitting room and private porch.

**Surrounded by over 190 miles of spectacular coral**, Beqa Lagoon offers calm, protected 80-degree waters with visibility typically over 100 feet. Many of the spectacular dive sites are only minutes from shore. Be sure to look for Blue Ribbon Eels, Clown Triggers, Lion Fish, Leaf Scorpions and uncountable other reef fish. There's even been sightings of reef sharks! Plus, the snorkeling in the lagoon is just as incredible.

**Your Fiji dive travel package includes** round trip airfare from Los Angeles International to Fiji, all transfers while in Fiji, daily 2-tank boat dives and unlimited shore diving. Your luxury accommodations at the Beqa Lagoon Resort with all your meals while there are also included.

A passport is required for US citizens. For ticketing purposes, we need to have your name exactly as it appears on your passport! Due to increased airport security, passports and airline tickets must match exactly. Please help us avoid last minute problems by triple checking the spelling of your name...first, when you signup for the trip; second, before final ticketing about 3 months before the trip; third, at the pre-trip party when you receive your e-ticket receipt.

### Equipment

You need to provide all personal dive equipment for the trip. Splash Water Sports can provide you with a checklist to ensure you have everything you'll need. The local dive operator will provide tanks and weights. Feel free to stop by HSA and use the pool to practice. If you discover equipment problems or if your regulator has not been serviced in the past 12 months, our service department is here to help. Please allow two weeks for our technicians to have your equipment ready for you. (Rush jobs are not a problem; however, there is an additional charge for this service.)

If you cancel your reservation, your money will not be refunded unless all seats on the trip are filled. **Purchasing trip interruption/cancellation insurance is highly recommended.** You may obtain trip insurance information and applications from Splash Water Sports.
