

SCUBA CLUB COZUMEL

JANUARY 9-16, 2010

Located on the waterfront one mile south of the downtown ferry dock, an attractive multi-level building of Spanish-Colonial architecture blends in with the waterfront. No hype. No pretensions. You probably wouldn't know about us unless someone told you. That's how divers find their way here. Built in 1976 as Cozumel's first dedicated diver's resort, Scuba Club Cozumel is still a very intimate place where Cozumel Aficionados find convenience and good value. Designed and built – by divers for divers – to provide all services in one convenient place.
